

# Help Needed for Eagle Scout Project

**Who:** Aaron Maley

**What:** Re-designing and landscaping the front yard and sign of New Pittsburg United Methodist Church

**When:** March 27, 2010 at 9 o'clock until completion

**Where:** New Pittsburg United Methodist Church off route 250

**Why:** This community service is to help the community and members of the church. Completing this project will not only help the church, it also helps Aaron Maley who is conducting this project become an Eagle Scout before his eighteenth birthday. Without your help in completion Aaron will not be able to complete his project, which results in failure to become an Eagle Scout.

If you are interested in this opportunity to help Aaron become an Eagle Scout, we would appreciate all the help we can receive. We are short on many supplies; we would appreciate any tools anyone could bring to help complete the project. We are lacking gloves, shovels, and rakes.
